**CHAPTER 345**

**AN ACT to create 86.31 (3) of the statutes, relating to highway aids to towns composed of islands consisting of one or more townships.**

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

86.31 (3) of the statutes is created to read:

86.31 (3) Islands of Wisconsin consisting of one or more towns shall receive all state aids regularly payable to towns for town highways and in addition thereto shall receive such highway aids for the number of miles equal to the distance between an island port and the closest mainland port where such distance is regularly traveled by a licensed ferry transporting persons, cars, trucks, busses and other mechanized equipment. Such additional aids are given for the purpose of maintenance and construction of public docks, parking areas at docks as well as approaches and ramps leading to the docks and for the maintenance, clearing and marking of traveled ways over frozen waters between the islands and the mainland.

Approved August 2, 1961.
